LESSONS:

Privately or in small groups at my home or yours. One hour and 45m sessions are **\$40** and that includes all supplies. Parties also are a nice way to get the women together for a night of laughs and creativity. I'll bring the supplies and wine and snacks are welcome. Eight to ten women for group settings. I teach children over the age of 7 yrs old.

COMMISSIONED WORK:

Working on commission is done as to subject ~canvas size, details and coats of paint. For example, 11-14 canvas would be approximately **\$300-\$350** w/a **\$100** deposit
*Pricing is subject to change. It will take 3-4 weeks to finish the work. Larger canvas will take possibly 5 weeks and I ask for half down.
*Sides are also painted.

PET PORTRAITS:

Capturing the personality of your beloved pet on canvas is a lovely gift that will last a lifetime and bring joy to your family. All I need is a 4x6 photo, canvas sizes vary and prices are listed below.
